**CONSTRUCTION MANAGEMENT SERVICES
FOR THE CARNATION TREATMENT PLANT PROJECT
RFP No. P00004P06
ADDENDUM NO. 4**

Proposers are hereby notified that the document of said Request for Proposals has been amended as hereinafter set forth:

Ref	Page	Location and Description of Change
4.1	NA	<p>Question:</p> <p>Addendum 3 removed the resident engineer role from the list of staff to be provided by the selected consultant and added language to the effect that the County will provide a staff member to serve as the Project Representative for the Treatment Plant project. Does the County want proposers to base their LOE/Work Plans on the tasks listed in the scope of work (SOW), or shall proposers now assume that the County's Project Representative will perform any services that would have been provided by a resident engineer on the consultant's team?</p> <p>Answer:</p> <p>The County has not changed the SOW, and currently intends the Consultant to provide all services listed in the SOW. Proposers should base their LOE/ Work Plan on the tasks listed in the SOW.</p>

This Addendum No. 4 shall form a part of the Request for Proposals document.
